

Kevin,

From the bottom of my heart, Thank YOU! I am so unbelievably grateful for all your help over the past year. It was a long, hard road and you made it a bearable and hopeful journey. Thank you for explaining legal processes to me and answering all my questions. Thank you for fighting tooth and nail for us. Thank you for being relentless on ! Thank you for all ~~the~~ your time!!

My greatest fear was that our efforts would get lost in the sea of other lawsuits and I would keep moving forward un-phased. I could not be more at ease or comforted by the outcome. Thank you for your indispensable help winning the battle.

Best Wishes,
